@AmericanAir finally at final destination but not w/o extra significant travel expenses & missed work. How can you resolve this experience?

@united you are lightyears ahead of the security control at Newark airport. They wasted 40 precious mins w bad efficiency. #frightening

@AmericanAir I'll be sticking with @southwest in the future. No change fees, first bag free, and stellar customer service.

@SouthwestAir you just Cancelled Flight! my flight home so you better get me a private jet or something. I need to get home now

@united Cancelled Flight! a flight cause the crew needed sleep. But it's totally okay to wake me up at 3am just to let me know it's Cancelled Flight! again.

@AmericanAir Oh yea? That's it? C'mon buddy! Bring your special friend @united to the conversation - they seem to be doing NOTHING AT ALL

@United Over the last week, United has provided me with the worst customer service experience of my life. Disgusting. #united
